- Hindi

# Nitin Sharma

B.Tech Student | 2nd Year

## Career Objective

I'm a second-year Computer Science Engineering (CSE) student at Lamrin Tech Skills University, eager to learn and explore the vast world of technology. I'm focused on building a solid foundation in programming and essential computer science concepts that will enable me to grow into a skilled software developer and engineer. I'm passionate about full stack web development, problem-solving, and continuously expanding my technical and professional skillset. I have hands-on experience with HTML, CSS. I'm also improving my understanding of DSA in C++ and have basic knowledge of Java and I'm always eager to learn new technologies to enhance my skills. From AI and machine learning, cybersecurity, and software development, there's always something new to learn, build, and explore. I'm passionate about staying up-to-date with emerging technologies and growing my skills through hands-on projects, research, and collaboration with others who share the same curiosity.

## Education

### Bachelor of Technology (B.Tech)

Lamrin Tech Skills University

Branch: Computer Science

Expected Graduation: 2028

## Projects

- Student Management System using Java
- Personal Portfolio Website

## Certifications

- Web Development Basics
- Introduction to Python
- Full Stack Java
- Python Programming
